REMARKS

50X1-HUM

1. On 10 October 1950                      the Aspern (P 49/X 49) airfield                       
108 Pe-2s, 4 single-engine fighters, 1 twin-engine semi-high-wing monoplane,  
and 2 single-engine biplanes.
2. On 16 October, the individual aircraft types could not be counted since the  
disposition of the aircraft was being changed. 50X1-HUM
3. On 17 October, the field was                      occupied by one twin-  
engine semi-high-wing monoplane, 10 single-engine biplanes, and 101 twin-engine  
monoplanes with double rudder assemblies. A total of 96 twin-engine aircraft  
were counted, and the balance estimated, as they stood in the middle of the  
field.
4. There was no flying at the field on 16 November. The occupation consisted of  
one twin-engine semi-high-wing monoplane, 10 single-engine biplanes, and 110  
to 120 Pe-2s, 96 of which were counted and the rest estimated.
5. On 16 October, radio truck                      protected by an improvised roof, was in 50X1-HUM  
a yard near the radio station on Siegesplatz in Aspern.                       
                     50X1-HUM
6. A wooden shed was erected around the radio truck on 16 November. The building  
housing the radio station was being repaired. Another radio truck was seen.
7. The following motor vehicles were seen: On 16 October, three motor vehicles  
                    , two passenger cars                       
                     two passenger cars                      and truck                      entered  
and left the field; one ambulance and six trucks                       
                     in the garage on Zachgasse; about 45 trucks                       
                     at the Gross-Enzersdorf home for aged people; and two  
trucks with box-like superstructures                      at 50X1-HUM  
No 241 Kasernenstrasse.  
On 16 November, nine tank trucks                      were seen at the field,  
six motor vehicles                      in the garage on Zach-  
gasse, four passenger cars                      at 31 Lobaugasse,  
21 trucks and one ambulance                      at the Gross-  
Enzersdorf home for aged people, and three trucks                       
                     at No 241 Kasernenstrasse. \*

50X1-HUM

\*  Comment. The report is of particular value because of various rumors 50X1-HUM according to which jet fighters are said to be stationed in the Vienna district, including Aspern. 

 no changes have occurred. It is 50X1-HUM believed that Aspern is occupied by the 81st and 82nd Gds Bmr Regt of the 1st Gds Bmr Div and that there are no jet fighters.
